What is Track it Forward?

Track it Forward is an online volunteer tracking system designed to support our football program.

This tool allows us to:

- Communicate the volunteer needs of our program directly to our families
- Track your commitment to the program and identify areas to improve our efficiency
- Recognize the value of our organization and its members

How does it work?

Each player's family is asked to accumulate a total of 10 Pride Hours per season.

There are 5 ways to accumulate hours:

- **Become a Booster Member (any level) = 3 Pride Hours**
- **Become a Committee or Event Lead = varies by event**
- **Volunteer at events or in the concession stand = 1 Pride Hour for every hour served**
- **Monthly Item Donations (water, Gatorade, granola bars, snacks) = 1 Pride Hour per donation**
- **Monetary Contributions (1 Pride Hour = \$25 and are tax deductible)**

How do you access your account?

Be on the lookout for an email invitation to access your account. Every player is set up with an account using the Parent 1 email. Families with multiple athletes will be combined into one account (additional family information can be added by clicking "Edit Profile"). Pride Hours can be accumulated by all family members. If your athlete has more than one household and you would like a separate account, please contact the Volunteer Coordinator at volunteer@leanderlionsfootball.com.

SPONSORSHIPS
