

## Welcome to The Pride!

The Leander Lions Football Booster Club welcomes all our families to *The Pride*. Each family is encouraged to support our football program through community involvement, become a member of the booster club, volunteer at our events and make contributions that support our coaches and athletes. We look forward to bringing our community together. *Roll Pride!*

### What is Track it Forward?

[Track it Forward](#) is an online volunteer tracking system designed to support our football program.

This tool allows us to:

- Communicate the volunteer needs of our program directly with our families
- Track and identify areas to improve our efficiency
- Recognize the value of our organization and its members

### How does it work?

Each player's family is asked to accumulate a total of 10 Pride Hours per season.

There are 5 ways to accumulate hours:

- Become a Booster Member (any level) = 3 Pride Hours
- Become a Board Officer, Committee or Event Lead = varies by event
- Volunteer at events or in the concession stand = 1 Pride Hour for every hour served
- Monthly Item Donations (water, Gatorade, granola bars, snacks) = 1 Pride Hour per donation
- Monetary Contributions (1 Pride Hour = \$20 and are tax deductible)

### Communication

This tool allows us to communicate directly with players' families. We will send reminders for open volunteer opportunities and hours that have been logged. We will also post this information on SportsYou. If you have any questions, please contact our Volunteer Coordinator at [volunteer@leanderlionsfootball.com](mailto:volunteer@leanderlionsfootball.com).

### How to access Track it Forward?

Every player is set up with an account using the Parent 1 email. New players will receive an email invitation from [Track it Forward](#). Families with multiple athletes will be combined into one account (additional family information can be added by clicking "Edit Profile"). Pride Hours can be accumulated by all family members. If your athlete has more than one household and you would like a separate account, please contact the Volunteer Coordinator at [volunteer@leanderlionsfootball.com](mailto:volunteer@leanderlionsfootball.com).

### Milestones

Notice the green bar to the right of the screen? Who doesn’t love a little competition among friends? We do!! As you begin to earn hours you will notice the bar filling up. Let’s see how quickly our families go from Rookie to Starter and all the way to State Champ!

### Corporate Volunteer Programs

We know that many of our parents work but did you know that many companies offer Volunteer Time Off? Giving of your time shouldn’t cost you money. In fact, your company might pay you or our program for your time served. Ask your employer if your company offers these benefits.
